

## 5. MAGIC SPILLS

"Suddenly, a huge grey wolf leaped from the book, snarling and drooling. It began to stalk Rupert, its head low and its teeth bared."

*Archie Greene & the Magician's Secret*, by D D Everest

When the books on the shelves start spilling out their magical spells, Archie has to try to save his friends.

1. Colour in the picture.
2. How is Rupert trying to defend himself from the wolf?
3. What other creatures or people can you imagine spilling out of the magical books?
